THE NEW SCHICK "25"

The newest and finest shaver ever made by Schick, inventors of electric shaving. It shaves so close it makes anything you shave with now as outdated as a straight razor.

SAVE \$5.00

Your old electric shaver—any make or condition is worth \$5.00 as a trade-in.

3 reasons why nothing shaves you closer than the new Schick "25"

1. Super-Honed Heads with New Sharpness. Honed and finished to a sharpness unmatched by any other shaver. Never pull or pluck.
2. Curved Combs with New Precision. Curved shape presses down skin for gentle shaves. Comb guides each whisker into place no matter which way it grows.
3. Hi-Power Motor with New Perfection. Snap it on with a touch of the switch. World's most powerful motor for its size. More than enough power to shave the toughest whiskers.
